They handle daily inquiries and are often the first point of contact for residents and families once they register for a class or excursion. They also coordinate special features like the drone light show for National Night Out, manage park reservations, and serve as guides on the highly popular Friday Field Trip outings. Whatever the activity, they always aim to provide a positive and memorable experience.

Under the direction of Public Works Director, Chris Randall, this group takes care of all the park facilities and equipment and prepares them for special events. They are responsible for tasks such as collecting refuse, maintaining restrooms, fixing playgrounds, and arranging picnic tables. Without them, many of the outdoor amenities that residents love and enjoy simply would not be possible.
