December is a month of reflection. I'm grateful for the people that surround me, from my family to my partners in the work. In such a relationship driven business, I'm also grateful to see those partners become family over time as well as my family consistently being the friends I need. I appreciate the daily reminder that no matter how good one may excel in a trait or set of skills, success is driven by the rapport and relationships cultivated over time. I wish a successful harvest to all as we end 2024 and begin 2025.

The Happy Valley Business Alliance ([HVBA](#)) is a group of business owners and leaders, mixed with city staff and elected officials, along with community leaders and neighbors. It is a true privilege sitting as the HVBA Board President and working alongside our Board Members in strengthening our alliance while supporting and advocating for each other's businesses. Our Membership Meetings are regularly scheduled the fourth Wednesday of the month. You are invited and we look forward to seeing you there. You are also welcome to invite a colleague, friend, entrepreneur, or community member to our meeting. Our collective goal is to see a strong Happy Valley community, powered by its flourishing businesses.

Hap-Bee-Honey:

A Sweet Partnership with a Purpose

Introducing Hap-Bee-Honey, the result of a unique partnership between the City of Happy Valley and the [Bee-Lieve Education Foundation](#).

This special honey supports an incredible cause—local Veterans are being educated and trained by the OSU Master Beekeeper program, gaining hands-on skills in sustainable beekeeping. Beyond the technical training, this program helps Veterans feel connected and purposeful, fostering a sense of community as they support the environment by contributing to pollinator health.

When you purchase Hap-Bee-Honey, a portion of the proceeds goes directly to support local Veterans programs in our community. On sale now at our City Store for \$10.

Glass Snowflake Treasure Hunt January 6 – January 31

Kick off the New Year with a magical adventure! Explore Happy Valley's parks this January and search for dazzling handmade glass snowflakes created by [Sweet Lomy Art](#).

Each week, we'll share a clever clue to help you find a hidden snowflake. Discover one, bring its photo to City Hall, and take home your sparkling prize!

This free, family-friendly treasure hunt is the perfect way to embrace winter, enjoy the outdoors, and connect with the community.

Cheers to a Cause: Happy Valley's Pints with Purpose Makes a Difference

Happy Valley Parks and Recreation collaborated with local taphouses this past November to launch Pints with Purpose. Participating venues selected a featured beer and committed to donating \$1 for every pint sold during the campaign.

The result? A remarkable \$2,200 was raised to benefit [Happy Valley's Meals on Wheels People program](#). These funds will go directly toward delivering well-balanced meals to seniors who often rely on this service for their daily nutrition.

This year, the Pints with Purpose Passport Program added even more excitement to the campaign. Participants could visit each taphouse, enjoy the designated beer, and collect a sticker in their passport. Once the passport was filled up participants headed to City Hall to redeem their prize.

Thank you to all who participated.
